

CAR SEAT SAFETY CLASSES

Take a class, get a car seat.

Safe Kids Northern Colorado and its partners offer monthly classes to those who need a car seat or booster seat, but might not be able to afford one. Attend one class, and receive a new car seat appropriate for your child. **Registration is required at least 48 hours prior to class time.** The offer is limited to one seat per family, per year. Open to Larimer County residents only.

A \$30 donation to Safe Kids for the car seat and education is requested, but not required.
